

A Level Results Day 2020

Results collection and Celebration

RE: A Level Results Day 13th August 2020 – Important Information

Firstly, we would like to say on behalf of all the staff at the Compton school, we hope that you and your families are doing well. We know that the following the government announcement in April to cancel summer examinations, a great deal of anxiety has been created for students about what this means for their futures.

The staff have been working incredibly hard to support the transition in to the next stage of their careers. As part of this, we are pleased to announce that on **Thursday August 13th 2020**, the school will be open from **9.00am** for students to collect their A Level results. As you will appreciate the A Level results day will need to be different from previous years to ensure that students and staff are kept safe and that we can continue to follow the social distancing guidelines. We have worked hard to ensure that the school site will be safe for you to do this and there will be limits on the number of students in the building at any one time.

Students will be invited in for a **thirty minute period only** to collect their results and celebrate their hard work and achievements. Members of the Sixth Form team and senior staff will be on hand to offer guidance and support. As this day will not take place in its usual format, we are also offering to have the results sent out to you directly.

If you would prefer to have your results sent out to you and will not be coming into school to collect them, please respond to the Sixth Form Team via e-mail: sixthform@thecompton.org.uk by Wednesday the 8th July 2020 to inform us that this is your preference.

If you do still wish to attend, it is essential that students stick to their allocated time slot below:

Surname	Time Slot
A – B	9.00-9.30
C – F	9.30-10.00
G – L	10.00-10.30
M – R	10.30-11.00
S – Z	11.00-11.30
Collection of results will close at 12.00.	

Headteacher: Ann Marie Mulkerins

Telephone: 020 8368 1783 Fax: 020 8368 2097

Email: office@thecompton.org.uk Web: www.thecompton.org.uk

To ensure you feel prepared for the plan and the next steps following the outcome of your results, we have included comprehensive guidance on Results Day is with this letter. Please ensure you and your parents have read this ahead of the results day. The UCAS website also has detailed advice for parents and students at this link: <https://www.ucas.com/undergraduate/results-clearing>

For any student who is in Clearing, has not applied to University or is pursuing other Post-18 options the Sixth Form team will be available on the day to support students with applications. If you have had your results emailed home or wish to have further guidance about your next steps, a member of the Sixth Form Team will be available to talk between 1.00pm and 4.00pm by contact via:

Telephone: 02082168055

Email: dominique.doyle@thecompton.org.uk

Finally, we do also appreciate that Year 13 students have not had a proper opportunity to celebrate the end of their Sixth Form journey with friends and staff due to nationwide lockdown. Once these rules are relaxed and life begins to return to normal, we look forward to gathering you all together properly for a celebration event.

Thinking about your options?

We know that some of you with Firm places are considering your options in light of the Covid 19 outbreak, so we are recommending some resources to help you decide:

What kind of experience will I have at university in September?

To find out what kind of delivery your university is planning this September, click [here](#). This directory is updated regularly and details what arrangements universities are making for students beginning courses with them this year.

Forget the scaremongering: this could be the best year to start university

Attached to this document is an article from The Times which considers why this could be an especially good time to start a university course.

I don't want to go to university next year – what can I do instead?

Click [here](#) to read an article from The Guardian newspaper about your options if you are taking a gap year. The UCAS website also has a helpful guide to 'Alternatives' to university – click [here](#) to find out more.
