

Appeal Dates & Information

If you have not been offered a place at **The Compton School**, the law entitles you to appeal against that decision to an Independent Appeal Panel. This panel is completely independent of the school and the Local Authority. The appeals are held at the school or online.

If you wish to appeal, please use [this link](#) to complete your appeal online. Please do NOT use ANY other appeal form or send your form to your local authority. It is suggested that you download the explanatory booklet about appeals which you should read before you complete the appeal form. [Booklet Link](#)

You should include any evidence or supporting material with your appeal form and you MUST give the grounds for your appeal at the time you lodge your appeal form. Your appeal form will not be accepted unless you state the grounds for your appeal. You may appeal for more than one school.

Please note that the online form will ask you to download two utility bills dated in the last THREE months. If you do not have access to a scanner, please take two photographs with a mobile phone and upload the photographic files.

Depending on the situation at the time, your appeal could be heard online instead of a face to face meeting at the school. It is highly likely, subject to Government guidance, that appeals will be held online. Full details will be sent to you with your invitation to the hearing.

If you wish to contact the clerk – email : clerk@educationappeals.com
