

17th August 2020

Dear Parent and Year 13 Student

Government Announcement on A Level Results

Following the government announcement at 4pm today, I am writing to let you know that the government has decided to award students with their **Centre Assessed Grades** as their official A Level results. As a school we are pleased with this decision.

Parents were emailed the Centre Assessed Grades on Thursday, so if you have not yet checked this please make sure you go back and look at the report that was emailed out on 13th August and check the column labelled '**Centre Assessed Grades**' for your official results. Please share this email with your child.

Although, this is excellent news for our students, I also understand this may leave some students with many questions about their places for University. In the short term, I would advise that any student who is still not placed at a university or that wishes to change courses should get in contact with their university as soon as possible to discuss their options. Staff will be in school tomorrow if you need further support with this.

As we get further clarification, I will contact you again, but as I know time is precious for many of you trying to secure places on courses, I wanted to contact you straight away.

Yours sincerely,

Ann Marie Mulkerins
Headteacher
