

## Links to Your Favourite Authors

Everyone has a favourite book or author. When you get to the end of a story, it can be sad leaving that adventure behind. Which is why it's good that many authors have created websites where you can find a myriad of exciting things, and continue living in their imaginary worlds. Here are some links to favourite authors for you to explore in your free time. They're packed with quizzes, activities, interviews, emojis, excerpts and blogs. Get exploring!
