Behaviour Summary

This records the number of logs your child has received.

Key Stage 2 Results

These are the results your child obtained in their tests at the end of their Primary School Education (Year 6). The national average is level 4 at KS2 and level 5 at KS3.

Punctuality and Attendance

This shows your child's **attendance record** as a percentage up until the date shown. All students should aim to have 100% attendance.

Attendance at 95% equates to a student having half a day off every two weeks. Attendance at 90% equates to a student having a full day off every two weeks. Please see attendance pyramid on the back of this sheet.

Unauthorised lates shows how many times your child has been late to school.

CAT Results

The Cognitive Abilities Test is a standardised assessment that helps identify students' strengths, weaknesses and learning preferences, providing accurate, reliable and objective assessment data that is essential to the shaping of an individual's learning.
